Bayfield County
Drummond, Wisconsin 54832

Notice of the meeting and agenda was posted at the Post Office and website on May 1, 2021.

EXTRA TOWN BOARD MEETING: May 3, 2021.

CALL TO ORDER: 5:00 p.m. in the Civic Center by Roy Bloom, Chair.

ATTENDANCE: Roy Bloom, Chair; Chris Elkins, Supervisor; Jeff Hurula; Andy Tuttle, Clerk; Mark Jerome, Public Works Director; Five member of the public.

ZONING REQUEST: Rick Yerhot, the agent/builder for Guy Austin requested a Special Use Permit for shoreland grading. This is an “after-the-fact” permit as Rick has cleared the building site which exceeded the amount of soil disturbed on the lakeshore. Several members of the Lake Owen Association expressed concern with the amount of exposed soil and the potential for runoff and erosion. They also said they have a lake manager and access to grant funds to help with mitigate any erosion. Tuttle had contacted County Zoning and they wanted Yerhot to submit a revegetation plan and have it approved by County Land Conservation. Elkins and Yerhot explained that a stormwater runoff plan is included with a UDC permit. Motion by Elkins, second by Hurula to recommend approval of the special use permit to County Zoning with the condition that all County and UDC rules are followed including a runoff/revegetation plan. **CARRIED.**

The meeting adjourned at 5:45 p.m.
