PUBLIC COMMENT: There was no public comment.

PIGEON LAKE PROPERTY ASSESSMENT: Several landowners on Pigeon Lake asked the assessor about lowering their property assessment due to flood damage and high water rendering the lake unusable. Riglemon explained how assessments work and detailed some options for adjustments. He has asked any Pigeon Lake property owner that has suffered physical damage to their structure to email him and we would plan a site visit to look at options. His email is clauder@centurytel.net. Riglemon would like to visit properties before winter sets in.

ZONING REQUEST: Matthew and Amy Sween have requested a permit to place a cabin on a parcel zoned F-1 (46100 Big Brook Rd.). The Comp Plan Commission was notified, but since there is nothing in the plan to address a residence in an F-1 zoning, they did not convene. Motion by Fredericks, second by Elkins to recommend to County Zoning the permit be issued. **CARRIED.**

project. The library will contact with LeBrea and use surplus money from the kitchen project to pay for the work.

COUNTY LAKE CONSERVATION SPECIALIST POSITION: The board received a request for support for this position from the Land & Water Conservation Department. The board felt this could be a worthwhile position, there was no information provided on the job description or where the salary would come from.
