

Bar Stool Race Rules

THE #1 Rule – WE are here to have fun and raise money for a good cause!

- ❖ Crossing the push line before the green light is on will result in disqualification
- ❖ The pusher crossing the start line will result in disqualification
- ❖ Crossing into the other lane during the race will result in disqualification
- ❖ Racers will be disqualified if, at any time during the race, the feet touch the track, unless both racers touch the ground.
- ❖ If both racers crash, racers can get back on the barstools. Racers must be sitting on the barstools. At this point, it is allowable to put your feet down to propel the barstool across the finish line, but the racer must be sitting on the seat or they will be disqualified.
- ❖ Riders will be disqualified for racing without a helmet. If the helmet comes off in a crash, it must be put back on and strapped before the racer continues racing.
- ❖ The finish line judges will have final say in determining a winner of each race.
- ❖ If the finish line judges cannot determine a winner, we will re-run the race
- ❖ Racers must make sure they understand the results of the race before they leave the bottom of the track. Race results cannot be altered once the next race is run.
- ❖ Spectators and/or racers are not allowed in the announcer's booth.
