

TOWN OF DRUMMOND

Bayfield County
Drummond, Wisconsin 54832

ANNUAL TOWN MEETING: April 19, 2016.

The meeting was called to order in the Civic Center at 6:30 pm by Dick Fredericks. There were 10 electors in attendance.

Several representatives from the Snowmobile Alliance and Snojacks snowmobile club presented an opportunity to secure additional state money for grooming. This would require creating a designated trail on town roads around Lake Owen. Currently the existing trail crosses Lake Owen. The state will not fund any trail that is a dead end or crosses a lake. By designating a new trail around the lake, it would no longer be considered a dead end. The topic was discussed amongst those present. There was some concern as to more snowmobiles on the road. This issue will be taken up by the town board at the May meeting. The snowmobile clubs just wanted to be as open as possible about this possibility.

Minutes from the April 14, 2015 meeting were read by Dick Fredericks. Motion by Bill DeVries, second by Andy Tuttle to approve the minutes. Minutes from the May 13, 2015 were not available and will be approved at the next Town Meeting. CARRIED by voice vote.

The clerk reviewed and answered questions regarding the 2015 Annual Report.

Bob Puls, from the Great Divide Ambulance service provided an update. They have been very successful but are concerned about declining revenues in 2016. The transfer service market is becoming very competitive.

Motion by Chris Elkins, second by Mark Jerome to adjourn the annual meeting. CARRIED by voice vote.

The 2017 Annual Town Meeting will be on April 20, 2017.

Meeting adjourned at 7:35 pm.
